jdmstructures.com

With log and other exterior sidings, finished interiors

Select Models can be converted to a cabin with a finished interior. Available with factory-built Skyline, Brookside, Horizon and Newport.

Interior Packages include ventilation; insulated walls, floor and ceiling; SmartSide or 8" pine walls; 8" pine ceiling; 100-amp electric; one ceiling light with switch and five receptacles. Interior paint or stain includes a clear finish on the pine ceiling.

Sliding Patio Doors are available on gable ends or with 7' or 8' sidewalls. From the outside, the left side is active. Available in White or Clay. Includes a screen. Not covered by warranty.

Prehung Fiberglass Doors come in white only and are not covered under warranty. They are 72" or 80" high, depending on sidewall height and have primed wood jambs.

Vinyl Windows are single-hung with insulated glass and White or Clay frames and grills.

Hand-Peeled Cedar Porch Posts are rough-cut, round posts.

Financing is available. Please ask your dealer.

FACTORY-BUILT GARAGES

2022 Retail Region I

We build garages in the factory and as custom designs, and can help you choose what's best and least costly for you.

These prices apply to factory-built garages.

Large Garages can be factory built and delivered in two halves.

Garage Doors are insulated steel (RV9) and come with an aluminum threshold. They have a standard track needing at least 10" clearance between the ceiling and the track. Use a low-clearance track if there is less than 10". Windows across the top row of door panels are not insulated.

Framing for a Garage Door, when purchased separately, includes an aluminum threshold.

Wood Floors are best for antique vehicles. To reinforce a floor for a full-weight vehicle, spec a double SmartFloor and/or 12" on center floor joists.

12 Month/No Interest Financing is available. Ask your dealer for more information.

Installation requires access, so discuss this and 14' clearance requirements with your dealer.

Please specify a garage door color: White, Almond or Brown.
