An extra charge if access to your yard is too small or area is not level for swingset

- Maintenance**
- All vinyl playsets are low-maintenance and splinter-free.
 - Some simple cleaning may be needed from time to time due to dirt, grass, dust, etc.
Common household cleaners such as Windex or Simple Green are recommended.
 - Nuts and bolts on the set should be checked yearly for structural safety. To tighten use hand socket wrench. Never use electric/power tools.
 - When doing lawn care, keep power equipment away from swings and slides. Weed trimmers and mowers can damage vinyl and swing components.
- Delivery information**
- The tower will come assembled unless on-site assembly is needed because of limited access - prior arrangement required.
 - Access needed is 1' wider than the width of any tower/playhouse.
 - Things that affect access at delivery are fences, gates, steps, hills, trees, bushes, and soft spots.
 - Installers are not equipped to remove fencing, trees, etc., for digging, or going up or down banks or hills.
 - If area is not completely level, the swing set will be installed “as-is”. We are not responsible for racking of swing set.
* All the above are subject to additional charge(s) if not taken care of prior to arrival with swing set.
 - Set Price includes Standard Delivery/Installation within 20 Miles of Wayside!
