60x10	181	362

Excellent service from start to finish. Working with Jason was a pleasure. Extremely happy with the quality & workmanship of my new shed. The two young men, who removed the old shed, prepared the pad, and set the new shed in place, were courteous, professional, and worked quickly and efficiently. Highly recommend Wayside Lawn Structures. 5 Stars!

### Things to Consider when Purchasing a Shed:

1. Purpose and Use
2. Size and Layout
3. Building Materials including Material and Color
4. Roofing Options including Material and Color
5. Foundation
6. Local Building Codes and Permits
7. Customization Options including Doors, Windows, Wall Height, Roof Pitch, Etc...
8. Quality and Durability
9. Installation and Delivery
10. Budget
11. Maintenance
